

Comments from last year's participant's

"The hands on was an excellent opportunity to improve our ability"

"The scenarios really help with making you think about what you need to work on. I learned a lot."

"Learning from and experiencing emergency procedures from experienced staff and fellow drivers."

"I think everything was great! I learned a lot from each and everything we did."

"Food +++++"

"Meeting great new people and coming together for same cause."

****Participants in the 2009 Learning Day who bring someone new this year will be entered into a prize drawing! ****
